# ABOUT US

## We, A Creative Digital Agency, We Provide Professional Designs.

Xira Infotech started life in 2014 as Web Design and Development Company. But we didn't stop there, we transform how brands engaged their target audience by Social Media Marketing. Xira is everything you'd expect from a smaller agency, The goal was to create a 360 degree Digital Marketing Company, combining deliver scale and reach for global brands from US, UAE and UK. We provide comprehensive Web Development, Web Designing, Mobile Apps Development, Social Media Marketing, Search Engine Optimization services. We endeavor to aim for a long-term association with our clients and this thought percolates in every project we take up.
